

# Rock The House Tour Press Release

We welcome you to be a participant of the announcement of American Foreclosure and Mortgage Relief Foundation, Rock the House Tour Fundraising Event. AFaMR will present the Rock the House Tour to the twelve highest ranked foreclosure states in the country. All of the proceeds raised in each state will go back to their respective communities. Together we will promote awareness and make a dent in the devastated affects of our current recession. We will offer financial assistance to Americans facing foreclosure from the proceeds of our nationwide Rock the House Tour concerts. Please join us for music, appetizers, door prizes, raffles, info on how to be involved, and more!
